English 8 AKs - Writing Workshop, part 2

Day 1
Assignment – Writing a Thesis Statement

Completed thesis statements will vary. Students should appropriately apply the thesis writing strategies from the lesson to this part of the ongoing essay assignment.

Day 2
Assignment – Writing an Introductory Paragraph

Completed introductory paragraphs will vary. Students should appropriately apply the introductory paragraph writing strategies from the lesson to this part of the ongoing essay assignment.

Day 3
Assignment – Writing the Body of an Essay

Completed paragraphs will vary, but there should be at least 3. Students should appropriately apply the paragraph writing strategies from the lesson to this part of the ongoing essay assignment.

Day 4
Assignment – Writing the Conclusion of an Essay

Completed conclusions will vary. Students should appropriately apply the conclusion writing strategies from the lesson to this part of the ongoing essay assignment.

Day 5
Assignment – Revising, Editing and Publishing

Completed essays will vary. Students should appropriately apply the revising, editing and publishing strategies from the lesson to this final part of the ongoing essay assignment. Completed essays should be logically written, flow appropriately, have correct spelling and grammar and be in the proper format.
