Lesson Quick Study

Lesson 1 - What Is Weather?

1. Inquiry Skill Practice–Compare

Compare the weather in the pictures. Write about what you see.

How is the weather the same?

It is cold in both pictures.

How is the weather different?

It is snowy in the first picture, but it is not snowy in the second picture.

2. Use Vocabulary

Write about the weather outside today. Use the word **weather** in your sentence.

Possible answer: The weather today is sunny, cool, and windy.

Name _____

3. Compare and Contrast

Use this chart with the Lesson Review.

Weather

alike	different
All weather is what the A **air** outside is like.	hot, warm, cool, B **cold**
You can see and C **feel** all weather.	sunny, D **cloudy**, rainy, snowy, windy

4. Critical Thinking and Problem Solving

It is a very rainy, cold day. You have to go outside. What will you wear? Give details.

Possible answer: I will wear long pants and boots. I will wear a heavy raincoat and a rain hat, too.
