Name _____

Investigate Log

Independent Inquiry

To draw a conclusion, use what you observed to decide what something means.

Materials

Here are some materials you might use. Draw other materials you may need.

pencil

1. Talk with your family about foods you eat in the winter. Talk about why you eat each food.

2. Draw a picture of your favorite winter food. Label it.

Possible answer: tomato soup

3. Why is this a good food to eat in winter? Draw a conclusion. Write to explain.

Possible answer: Soup is good for winter. It makes me warm when I feel cold.
