Name _____

Investigate Log

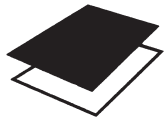

Independent Inquiry

You can use writing and pictures to help you communicate about the night sky.

Materials

Here are some materials you might use.

Draw other materials you may need.

colored paper

crayons

1. Look out the window as the sun goes down. Observe the sky at sunset.
2. Draw pictures of what you see. Write about it.

Possible answer: The sky is pink where the sun is setting. It is getting dark in other parts. I can see a few stars there.

3. Share your work with a partner. Use it to help you communicate about the sky at sunset.
