Name _____

Investigate Log

Independent Inquiry

When you communicate, you share what you know with others.

Materials

Here are some materials you might use. Draw other materials you may need.

pencil

1. Observe your environment at home. Look for things made by people. Look for things not made by people.
2. Fill in this chart. Use words and drawings.

Things Made by People	Things Not Made by People
1. Possible answer: my bed	1. Possible answer: my cat
2. Possible answer: the computer	2. Possible answer: the tree next to my house
3. Possible answer: my house	3. Possible answer: the soil in my yard

3. Communicate with a partner about what you observed. Use your chart to help you.
