Name _____

Investigate Log

Independent Inquiry

To draw a conclusion, use what you know to make a good guess.

Materials

Here are some materials you might use. Draw other materials you may need.

crayons

1. Think about what living things need. Which of these things do you need?

food, water, air, shelter

2. Draw yourself getting two things you need.

Drawings will vary.

3. What body parts help you get things you need? Draw a conclusion.

Possible answer: My nose helps me get air. My teeth help me eat.
