Lesson Quick Study

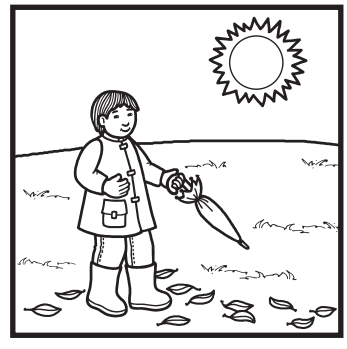

Lesson 1 - How Does Weather Change?

1. Inquiry Skill Practice–Observe

How did the weather change from morning to afternoon? What changes do you observe?

morning

afternoon

Possible answers: It was windy and rainy in the morning. There were many clouds. There was no wind or rain in the afternoon. The sun was shining. The clouds were gone.

2. Use Vocabulary

Write the term that best completes each sentence.

seasons	weather pattern

A weather change that repeats is a weather pattern.

There are four seasons in a year.

Name _____

3. Sequence

Use this chart with the Lesson Review.

spring
The air gets warmer, and it is rainy.

→

A **summer**
It is the warmest time of the year.

→

fall
The air gets B **cooler**.

→

C **winter**
It is the D **coldest** time of the year.

4. Critical Thinking and Problem Solving

Suppose a friend sent you these pictures but did not tell you when they were taken. Use the clues in each picture to identify the season, and write it in the blank.

winter

spring

fall

summer
